CERAMIC DESIGN

L'Azienda

Company Profile

GSG Ceramic Design è un'azienda italiana, che dal 1977 realizza ceramica sanitaria di altissima qualità e design, combinando l'arte della tradizione ceramica alle nuove tecnologie.

Grazie ad un processo di innovazione continua e una costante ricerca estetica, GSG Ceramic Design è riconosciuta a livello internazionale come sinonimo di qualità assoluta.

Offriamo un'ampia gamma di prodotti, con differenti forme e concepts, in 16 diversi colori, con un perfetto mix di estetica, qualità, funzionalità, personalizzazione e attenzione all'ambiente in cui viviamo.

La sostenibilità ambientale è nel dna dell'azienda: ogni WC è dotato di un coprivaso 100% sostenibile e sistemi di scarico che garantiscono un notevole risparmio idrico.

Un prodotto GSG Ceramic Design offre sempre un valore oltre la funzione.

GSG Ceramic Design is an Italian company that has been producing sanitary ceramics of the highest quality and design since 1977, combining the art of ceramic tradition with new technologies.

Thanks to a process of continuous innovation and constant aesthetic research, GSG Ceramic Design is recognized internationally as synonymous with absolute quality.

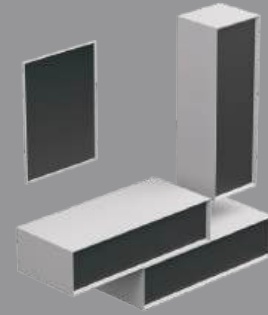

We offer a wide range of products, with different shapes and concepts, in 16 different colors, with a perfect mix of aesthetics, quality, functionality, customization and attention to the environment in which we live.

Environmental sustainability is in the company's DNA: each toilet is equipped with a 100% sustainable toilet seat and drainage systems that guarantee significant water savings.

A GSG Ceramic Design product always offers value beyond function.

Piani in Pietraluce®

Top in Pietraluce®

Piani in Pietraluce® *Top in Pietraluce®*

Il materiale Pietraluce® di cui sono composti i nostri piani è resistente agli acidi, ai solventi e alle sostanze liquide usate per la pulizia; ha proprietà antibatteriche, è ininfiammabile ed autoestinguento. Graffi o macchie possono essere asportati con una normale pasta lucidante.

I vantaggi di questo materiale sono:

Superficie più compatta, senza alcuna porosità o impurità, meno incline allo sporco e comunque più facile da pulire.

Resistenza agli acidi, ai solventi e ai coloranti.

Facilità di riparazione della superficie, in caso di lesioni di qualsiasi tipo e dimensione, grazie al kit di riparazione.

The Pietraluce® material of which our tops are made is resistant to acids, solvents and liquid substances used for cleaning; It has antibacterial properties, is non-flammable and self-extinguishing. Scratches or stains can be removed with a normal polishing paste.

The advantages of this material are:

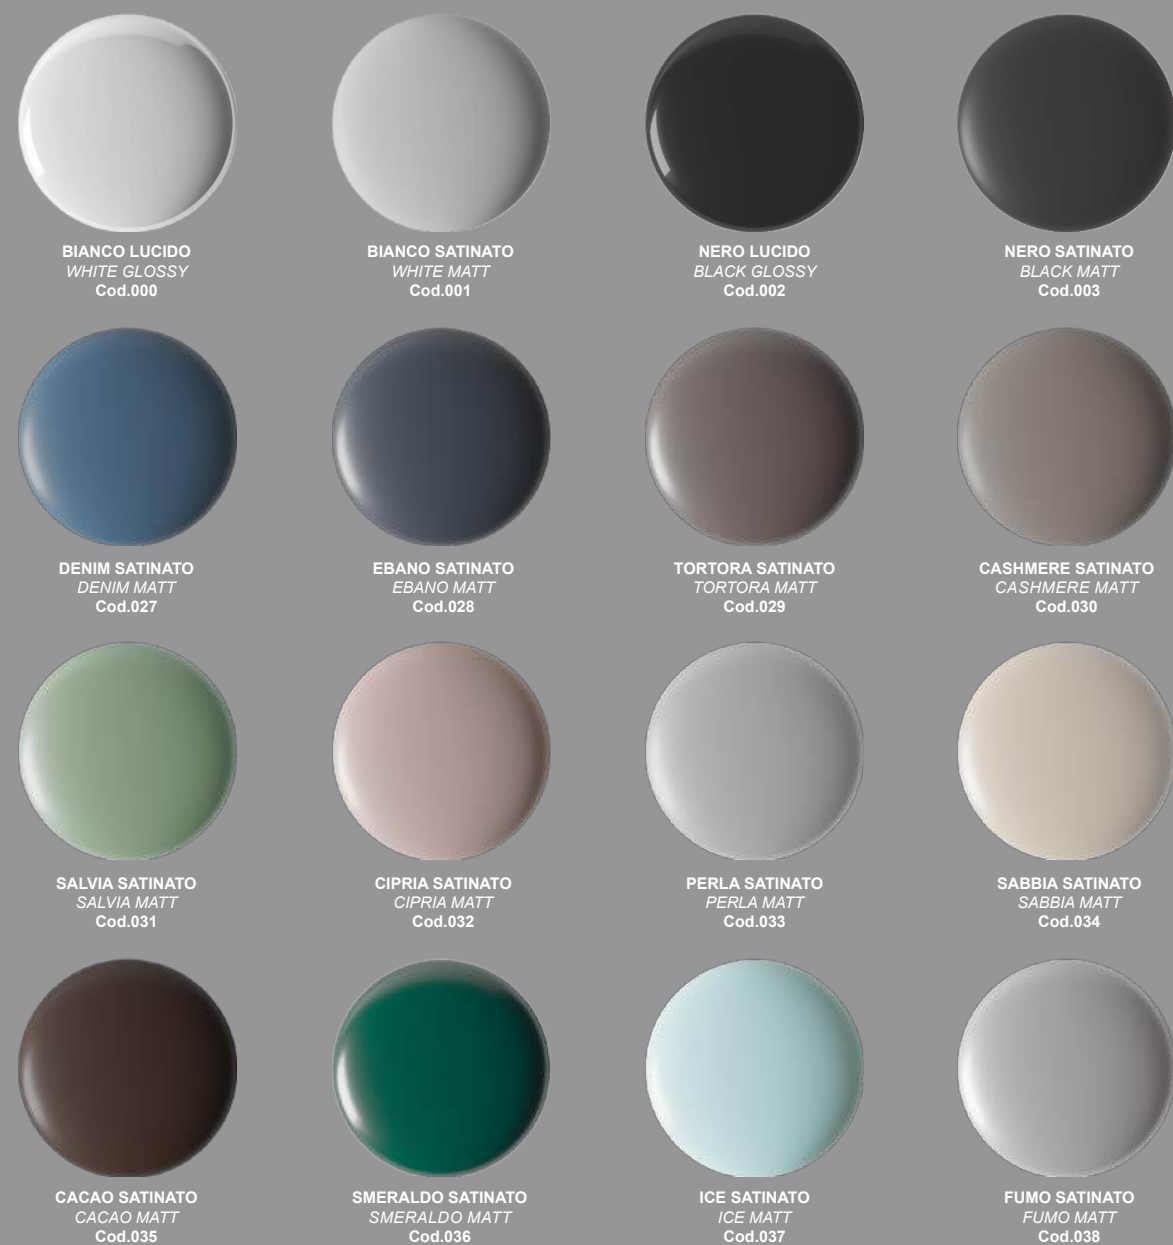

More compact surface, without any porosity or impurities, less dirty and in any case easier to clean.

Resistance to acids, solvents and dyes.

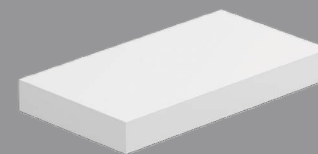

Ease of repairing the surface, in case of lesions of any type and size, thanks to the repair kit.
